

JFK ANIMAL RESCUE AND SHELTER
AUDITED FINANCIAL STATEMENT
FOR THE YEAR ENDED JUNE 30, 2023

..Digital Certified True Copy..

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF JFK ANIMAL RESCUE AND SHELTER

Report on the Audit of the Financial Statements

Opinion

We have audited the annexed financial statements of **JFK ANIMAL RESCUE AND SHELTER** (the Company), which comprise the statement of financial position as at June 30, 2023 the statement of income and expenditure, the statement of cash flows, statement of changes in net assets and notes to the financial statements, including a summary of significant accounting policies and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purpose of the audit.

In our opinion and to the best of our information and according to the explanations given to us, the statement of financial position, the statement of income and expenditure, the statement of cash flows and the statement of changes in net assets together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at June 30, 2023 and of the surplus, cash flows and changes in net assets for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the international standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *auditors'* responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditors' Report Thereon

Management is responsible for the other information. The other information comprises the information included in the annual report, but those not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017 (XIX of 2017) and such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of directors is responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with IASs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risk of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- Proper books of accounts have been kept by the Company as required by the Companies Act, 2017 (XIX) of 2017);
- The statement of financial position, the statement of income and expenditure, the statement of cash flows and the statement of changes in net assets together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of accounts and returns;
- Investment made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and
- No zakat was deductible at source under the Zakat and Ordinance, 1980 (XVIII of 1980).

The engagement partner on audit resulting in this independent auditors' report is Shan Ibrahim.

**JFK ANIMAL RESCUE AND SHELTER
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2023**

1 STATUS AND OBJECTIVE

- 1.1** JFK Animal Rescue and Shelter (the Organisation) is a Public limited organisation limited by guarantee not having share capital incorporated in Pakistan on June 07, 2021 under section 42 of the Companies Act, 2017. The objective of organisation is "to promote welfare activities for animals including taking care of stray and sick animals". The registered office of the Organisation is situated at House No. 200, Street 26, Sector-b, Askari 11, Lahore. In addition to registered office, one of the donor has given 4 acre land for shelter in raiwind near manga bypass. This land is not owned by the organization. It is for temporary use.
- 1.2** In accordance with section 223(4) of the Companies Act, 2017, first financial statements may be prepared for a period exceeding one year without any special approval of the registrar. Therefore, comparative financial statements have been prepared and presented for a period of more than one year beginning from June 7, 2021 to June 30, 2022.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The approved accounting and reporting standards applicable in Pakistan comprise :

- Revised Accounting and Financial Reporting Standard for small sized Entities (Revised AFRS for SSEs) issued by the International Accounting Standards Board (IASB) as notified under the companies Act, 2017;
- Accounting Standard for Not for Profit Organizations (Accounting Standards for NPOs) issued by the Institute of Chartered Accountants of Pakistan as notified under the Companies Act, 2017; and
- Provisions of and directives issued under the Companies Act, 2017.

Where provision of and directives issued under the Companies Act, 2017 differ from the revised AFRS for SSEs or Accounting Standards for NPOs, the provision of and directives issued under the Companies Act, 2017 have been followed.

2.2 Accrual basis of accounting

These financial statements have been prepared on the accrual basis.

2.3 Basis of measurement

These financial statements have been prepared under the historical cost convention.

2.4 SIGNIFICANT ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS

The preparation of financial statements in conformity with the accounting and financial reporting standards for Small-Sized-Entities (SSEs) issued by the Institute of Chartered Accountants of Pakistan (ICAP) as applicable in Pakistan requires the use of certain critical accounting estimates. In addition, it requires management to exercise judgement in the process of applying the Company's accounting policies. The areas involving a high degree of judgment or complexity, or areas where assumptions and estimates are significant to the financial statements, are documented in the following accounting policies and notes, and relate primarily to:

- Useful lives, residual values and depreciation method of property and equipments

3 Summary of significant accounting policies

The accounting policies set out below have been applied consistently to all periods presented in these financial statements, except for the changes as explained in notes.

**JFK ANIMAL RESCUE AND SHELTER
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2023**

3.1 Property and equipments

Initial Recognition

All items of property and equipments are initially recorded at cost.

Subsequent measurement

Items of property and equipments are measured using cost model at cost less subsequent accumulated depreciation and impairment losses, if any.

Depreciation

Depreciation is charged so as to write off the cost of assets over their estimated useful lives, using the diminishing balance method at rates specified in note 4 to the financial statements.

Management charges depreciation from the month the assets is acquired and no depreciation is charged in the month in which asset is disposed off.

Disposal

The gain or loss arising on disposal or retirement of an item of property and equipments is determined as the difference between the sales proceeds and the carrying amounts of the asset and is recognised as other income in the statement of income and expenditure.

Judgment and estimates

The useful lives, residual values and depreciation method are reviewed on a regular basis. The effect of any changes in estimate is accounted for on a prospective basis.

3.2 Advance, deposits and prepayments

These are recognized and carried at original invoice amount on transaction date less provision for any uncollectable amount. Other receivables and receivables from the related parties are recognized and carried at cost.

An estimate for doubtful debts is made when collection of full amount is no longer probable. Bad debts (if any) are written off to profit and loss statement as and when identified.

3.3 Cash and bank balances

Cash and bank balances are carried in the statement of financial position at cost. For purpose of cash flow statement cash and cash equivalents comprise of cash and bank balance. The cash and bank balances are readily convertible to known amount of cash and are therefore subject to insignificant risk of changes in value.

3.4 Trade and other payables

Trade payables are obligations under normal short-term credit terms. Liabilities for trade and other amounts payable are measured at fair value of the consideration paid or payable in future for goods and services.

3.5 Provisions

A provision is recognized in the financial statements when the Organisation has legal or constructive obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made to the amount of obligation.

**JFK ANIMAL RESCUE AND SHELTER
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2023**

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

Where the effect of the time value of money is material, the amount expected to be required to settle the obligation is recognised at present value using a pre-tax discount rate. The unwinding of the discount is recognised as finance cost in the statement of profit or loss.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

As the actual outflows can differ from estimates made for provisions due to changes in laws, regulations, public expectations, technology, prices and conditions, and can take place many years in the future, the carrying amounts of provisions are reviewed at each reporting date and adjusted to take account of such changes. Any adjustments to the amount of previously recognised provision is recognised in the statement of profit or loss unless the provision was originally recognised as part of cost of an asset.

3.6 Revenue

3.6.1 Donations and grants

Donations and grants from members and other donors are recognised when a cheque or cash received from members and donors.

3.6.2 Donations in kind

Fair market value of donations in kind is recognised when the ownership of that thing is transferred to the organisation.

3.6.3 Other income

Other income comprises profit on debt. Profit on debt is recognised when the profit is credited into the bank account since amount is immaterial so non adoption of accrual basis does not impact the financial statements materially.

3.7 Income tax

Current tax

As per sub-section 2 of 100C of Income tax ordinance, 2001; the Organisation is registered under section 42 of the Companies Act 2017, therefore eligible for 100% tax credit on all its income subject to sub-section 3 of 100C of Income tax ordinance, 2001. Based on that fact, no calculation of tax is made.

3.8 Offsetting of financial assets and financial liabilities

Financial asset and financial liability is set off and the net amount is reported in the statement of financial position if the Organisation has a legal right to set off the transaction and also intends either to settle on a net basis or to realize the asset and settle the liability simultaneously.

3.9 Related party transaction

Related parties comprise associated undertakings, other related companies and key management personnel. All the transactions with related parties are entered into at agreed terms duly approved by the Board of Directors of the Organisation.

Transactions and contract with related parties, if any, are at arm's length and at market rate. In case, transaction is out side normal course of business or is not conducted at arm's length; Board of Directors either approve or reiterate those transactions.

4.1 Depreciation has been charged to operating expenses (2021: same as mentioned).

4.2 Change in estimate

- During the year, in compliance with IAS 8 - Accounting Policies, Changes in Accounting Estimates, and Errors, the Company modified the depreciation rate for the RO Plant from 10% to 100%. The adjustment was necessary due to a change in the plant's status – it was originally situated on a leased property that the company vacated, and subsequently, the property owner declined to grant access to the plant. As a result, the Company revised the depreciation rate to align with the altered circumstances appropriately.
- During the year, in compliance with IAS 8 - Accounting Policies, Changes in Accounting Estimates, and Errors, the Company modified the depreciation rate for the furniture and fixture from 10% to 25%. The decision was based on management's informed judgment, indicating that Furniture and Fixture assets possess a useful life than previously estimated.
